

AHRQ Digital Healthcare Research Program

FUNDING AT A GLANCE 2023

The DHR program funds research that demonstrates how digital healthcare solutions can be designed and implemented to improve healthcare system performance and patient health outcomes.

In 2023, the DHR program supported: 107 grants and research contracts at 70 institutions in 25 states and the District of Columbia, with a total funding amount of \$180,764,703.

The Funding At A Glance showcases the number of funded projects and AHRQ investment in each state.
