

**A National Web Conference on the Socio-technical Aspects of Health IT:
Compendium of Socio-technical Resources**

Presented by the Agency for Healthcare Research and Quality (AHRQ)
March 28, 2007

Panelists

Pascale Carayon, University of Wisconsin-Madison
Ben-Tzion Karsh, University of Wisconsin-Madison
Ross Koppel, University of Pennsylvania

Moderator

Michael Harrison, AHRQ

Core Socio-technical References
