Plan: A Practical Workshop for Medicaid and CHIP Agencies**

Listing of Resources from CMS and ONC

## CMS Resources

### 1. CMS Fact Sheets

CMS fact sheets about the proposed requirements for the Medicaid and Medicare EHR incentive programs and the proposed definition of Meaningful Use:

[http://www.cms.hhs.gov/Recovery/11\\_HealthIT.asp](http://www.cms.hhs.gov/Recovery/11_HealthIT.asp)

### 2. Medicaid Directors' Letter and Attachments, June 17, 2009

Provides an overview of most ARRA sections relevant to Medicaid, CHIP, and Social Security. There is one letter and one attachment, which encompasses five enclosures (A through E).

<http://www.cms.hhs.gov/smdl/smdl/itemdetail.asp?filterType=none&filterByDID=0&sortByDID=1&sortOrder=descending&itemID=CMS1223422&intNumPerPage=10>

### 3. Medicaid Directors' Letter and Attachments, September 1, 2009

Provides preliminary guidance regarding the Medicaid EHR incentives and meaningful use definition. There is one letter and six attachments (A through F).

<http://www.cms.hhs.gov/smdl/smdl/itemdetail.asp?filterType=none&filterByDID=0&sortByDID=1&sortOrder=descending&itemID=CMS1228276&intNumPerPage=10>

### 4. Proposed Rule for Incentives for Medicare and Medicaid EHR Incentive Program

Relevant information can be found in the following sections and includes state Medicaid agency and Medicaid EP and hospital activities, access to systems and records, procurement standards, agency attestations, reporting requirements, financial oversight and monitoring, and appeals process.

- Table 1—Stage of Meaningful Use Criteria by Payment Year (page 1854 of *Federal Register* notice/page 12 of PDF file)
- Table 2—Stage 1 Criteria for Meaningful Use (pages 1867–1870 of *Federal Register* notice/pages 25-28 of PDF)
- Quality measurement tables subset (pages 1890–1895 of *Federal Register* notice/pages 48-53 of PDF)
- Medicaid-specific proposed regulatory requirements (pages 2004–2011 of *Federal Register* notice/pages 162–169 of PDF)
